SNOWPARK

Four lines in three sections with different levels of difficulty, (Fun - Easy - Medium - Pro) are waiting for you in the daily prepared Snowpark Steinplatte on a distance of 1.5 kilometres. Every year there are numerous event highlights.
High Five!

FUNLINE

A further highlight for the little ones is the **Triassic Funline** directly between the snowpark and run 4. Over a distance of more than **1 kilometre**, a playful line with coordinated boardercross and snow park elements starts at "Triassi", the dinosaur. Several **steep turns**, a **wave track**, a **tunnel** and our **new dino stations** await you.

HAUSBERG | JIB GARDEN

In the center of Waidring there is an ideal practice area with a T-bar lift, two practice lifts and the Triassic kids area. All ski tickets are valid there. If you only use the Hausbergarena lifts, there are also cheaper tickets available on site.
NEW: Freestyle fun by floodlight
The small but nice Night Snowpark in Waidring provides unforgettable freestyle fun at night!

SERVICE IN THE SKI AREA

Something forgotten or lost? No problem:
In the immediate vicinity of the 8 seater chairlift Steinplatte, you will find our Ski Service Station. (Ski waxing, edge service, ski and snowboard rental, accessories etc...)

TRIASSIC PARK IN WINTER

Prehistoric adventures now at the "ice age" too - also without skis. Checking out the winter hiking path to the viewing platform and to the stalactite cave provides a dino-tastic alternative to skiing.
While the older kids whizz down the slopes and the little freestylers go wild on the Triassic Funline, the youngest snow fans (non-skiers) totally enjoy the Triassic Childcare.

SUPER TUESDAY

Everyone skis/boards with the discounted day ticket prices of € 38 !
This special price is valid on **09.01. / 16.01. / 23.01.2024** and from **05.03.2024** every Tuesday for the day ticket for Youth, Adults and Seniors in the ski area Steinplatte and Winklmoosalm.
